

Provisional Ballots

Provisional Ballots

Provisional voting is a way for a voter to cast a ballot at the polls on Election Day when they are challenged because of one of the situations explained below.

1. If the voter is **unable to present photo ID** that meets the "proof of identification" requirements.
2. If the voter's **name does not appear on the poll list** (the voter is not registered to vote in the precinct) unless the voter qualifies to vote using one of the "Fail-Safes" explained in the *Indiana Voter's Bill of Rights*.
3. The voter's name appears on the poll list, but the **voter does not currently reside in the precinct** unless the voter qualifies to vote using one of the "Fail-Safes" explained in the *Indiana Voter's Bill of Rights*.
4. The poll list indicates that the voter is also required to **present additional documentation to verify their residency** as a first time voter, but the voter is not able to do so.
5. The voter is **not a U.S. citizen**.
6. The voter will **not be 18 years of age** or older at the general or municipal election. **NOTE:** *Otherwise qualified 17 year olds may vote in a primary election, but NOT for a school board office, political party office (such as precinct committeeman or state convention delegate) or on a public question voted on at the same time as the primary.*
7. The voter's **signature on the poll list does not match** that on the registration record of the county.
8. In a primary, the voter is **not affiliated with the party** whose ballot the voter is requesting.

EXCEPTION: *A voter challenged in a primary due to party affiliation is NOT issued a provisional ballot. If the challenged voter is willing to complete and sign the challenged voter's affidavit (Form PRE-4), then the voter is issued the regular ballot of that party, which is NOT kept separate from the undisputed ballots cast in the precinct.*

If you do cast a provisional ballot, you have until noon 10 days after the election, (until May 18th for the Municipal Primary Election on May 8th, and until November 16th for the Municipal Election on November 6th), to present the needed documentation or a proper form of photo ID.

The voter's provisional ballot is kept separate from all other ballots cast at the polls on Election Day. After the polls close, the provisional ballot is forwarded to the county election board, which decides whether or not the provisional ballot should be counted.

Offices on the Ballot

2007 Municipal Primary Election

If there is a contest within a political party for nomination to a municipal office, a primary election for that party will be held in any city, any town with 3,500 or more people, or in any other town which has adopted an ordinance to hold municipal primaries.

If a primary is held, the major political parties will nominate candidates for the following offices:

- Mayors of Cities
- City-County Council members, in Marion County
- City and Town Judges
- Town Clerk-Treasurers
- City Common Council members
- City Clerks or City Clerk-Treasurers
- Town Council members
- Voters will vote on any local public question placed on the ballot in accordance with state law.

In towns with less than 3,500 people, candidates of major political parties can be nominated without a primary. If there is a contest within the same party, a town convention of that party will be held to choose the nominee. Candidates of other political parties or independent candidates may be nominated by petition or convention (subject to state law).

2007 Municipal Election

If no candidates file for election to a city or town office, or if there is no contest for election to any office within a city or town, then no municipal election will be held. Instead, the incumbent officeholders (or the uncontested candidates) will automatically serve in those offices.

If there is a contested Municipal Election, candidates will be elected to the following offices:

- Mayors of Cities
- City-County Council members, in Marion County
- City and Town Judges
- Town Clerk-Treasurers
- City Common Council members
- City Clerks or City Clerk-Treasurers
- Town Council members
- Voters will vote on any local public question placed on the ballot in accordance with state law.

Photo ID

Photo Identification

A voter must provide government-issued photo ID before casting a ballot. The ID must fit the following criteria:

- Your ID must display your photo.
- Your name on the ID must conform with your voter registration record. Conform does NOT mean identical. Below are examples of names that would conform to "Robert John Crew":

• Robert John Crew	• Bob John Crew
• Robert J. Crew	• Bob J. Crew
• Robert Crew	• Bob Crew
• R. John Crew	• John Crew
• R. J. Crew	• J. Crew
- Your ID must contain an expiration date and either still be current or have expired sometime *after* the date of the last General Election (November 7, 2006).
 - Including Military IDs with expiration dates of "INDEF."
- Your ID must be issued by the State of Indiana or the US government.

In most cases, an Indiana driver's license, Indiana photo ID card, Military ID or US passport is sufficient.

If you are unable or unwilling to present ID meeting these requirements, you may cast a provisional ballot. If you cast a provisional ballot, you have until noon 10 days after the election to follow up with the county election board and either provide the necessary documentation or affirm one of the law's exemptions applies to you.

Exemptions do exist for the indigent, those with a religious objection to being photographed, and individuals living in state-licensed facilities where the precinct's polling place is also located.

If you do not already have a valid photo ID, you can obtain an Indiana photo ID card **free of charge** from any Bureau of Motor Vehicles branch that issues drivers' licenses and ID cards.

For more information, please visit www.PhotoID.in.gov or call the BMV at (317) 233-6000.

Absentee Voting

Absentee Voting

As a registered voter in Indiana, you are eligible to vote **absentee-in-person** at your county election board office beginning 29 days before Election Day.

In order to vote **absentee-by-mail**, one of the following must apply:

1. You have a specific, reasonable expectation that you will be absent from the county on Election Day during the entire 12 hours that the polls are open (6 am to 6 pm).
2. You have a disability.
3. You are at least 65 years of age.
4. You will have official election duties outside of your precinct.

7. You are prevented from voting because of a religious discipline or religious holiday during the entire 12 hours that the polls are open.
8. You are a participant in the state's address confidentiality program.

When the county election board receives your application for a mail-in absentee ballot, they will process it and if the application is approved, mail you an absentee ballot for the upcoming election.

In order to vote **absentee-by-traveling board**, you must fit into bullet points 2 or 6 above. The ballot will be delivered to you by a bi-partisan absentee voter board who will be able to assist you with your ballot.

If you need assistance voting, you may choose someone to help you (other than your employer or union officer) or one poll worker from each major political party will be available to assist you.

If you wish to file a grievance about your polling place's accessibility or report possible fraudulent election activities please call the Hoosier Voter Hotline at 1-866-IN-1-VOTE (866-461-8683).
